

Mercury 3.0 SUPER SPEED **USB 3.0**

1. USB 'A' connector

Please insert the FINAL USB type 'A' connector into the computer or iUSB3.0 labelled ' + '.

2. USB 'B' connector

Please insert the FINAL USB type 'B' 3.0 or 2.0 (depending upon the version purchased) connector labelled 'iFi' into the USB port of the DAC or the iPurifier2 /iUSB 3.0(which is then connected to the DAC).

3. RF³ Silencers

All USB cables, due to their inherent nature, inevitably pickup AND radiate radio frequencies that negatively impact the sonic performance.

On the Mercury USB3.0 cable, there are three sets of RF³ Silencers. The two outer ones are best located at each respective end.

Note: The custom-designed metal oxide ceramic RF³ Silencers offer different permeabilities. Compared to generic filters this atypical approach is incredibly effective; over the widest frequency range.

Feel free to adjust the central third Silencer to attain the optimal sonic performance.

Tip: To start with, set the three RF³ Silencers to the 'Golden Ratio', with the shorter section closer to the USB 'B' connector (item 3 above).

Specifications

USB (Data) / USB (Power)

- Construction: Minimu inductance parallel construction
- Conductors: 24 and 28AWG
- Conductor material: Heavy OFHC continuous cast copper silver matrix
- Insulation: HD Polyethylene
- Shielding: Quadruple-shields
- Impedance: 90 Ohms
- AC spark insulation : 1500V
- Connectors: iFi 'FINAL' USB connectors
- Insulation resistance: 100 Mohm
- Tensile strength: 1500PSI
- Lengths/Weights: 0.5m/98g (0.22 lbs)
1.0m/115g (0.25 lbs)
- Warranty period: 12months

Terms and Conditions

iFi guarantees that this iFi product shall be free from defects in materials and workmanship for a period of 1 year for parts and labour.

The warranty period begins at the date of retail sale by an authorized iFi distributor/dealer and is subject to the following requirements and understandings:

- It is the responsibility of the buyer within 30 days from the original sale, to register and activate the product warranty with the iFi website.
- The original invoice must be produced for authentication prior to any warranty claim.
- The iFi product must not have been modified in any manner whatsoever, or the warranty will immediately become void.
- The iFi warranty is only valid in the country of original sale and is not transferable.
- The product must not have been stored in a humid environment; nor subjected to weather, water, or saltwater spray.
- iFi shall not, under any circumstances, be liable for any incidental or consequential damages arising from the loss of property or other damage or losses due to the failure of an iFi product. iFi is not liable for loss of use or inconvenience caused by the failure of an iFi product. iFi is not liable for damage caused to other audio components because of the failure of an iFi product.
- During the warranty period, iFi will repair the product to working order, or, at iFi's discretion, replace the defective module with a similar available product.
- All repairs performed after expiry of the warranty period will be charged to the owner and will carry a 180-day warranty on parts and labour. The customer is responsible for shipping the unit to the iFi distributor in the original packaging. This includes the payment of any shipping charges and related taxes.
- Should any warranty issues arise, iFi's decision is full and final.
